ABOUT MM COLLEGE OF PHARMACY

M.M College of Pharmacy is one of the top 50 Pharmacy Colleges in India. The College is known for its world-class education and strong industry-academia interface. It has built an unmatched goodwill in the field of Pharmacy education owing to its commitment to train students with industry oriented education and make them better contributors to the world of pharmaceutical science.

ABOUT FDP

Faculty Development program of MMDU is meant to enhance the professional and academic quotient of the faculty helping the educators stay updated with global trends in professional education. The idea is to empower the faculty and increase the impact as well as absorption of their teaching especially relevant to current times when technology is one of the major factors in higher education.

SCOPE OF FDP

The objective of FDP is to bring together faculty members, researcher, and educators from academia. This FDP strengthens professional development and enhances the effectiveness of their teaching. Furthermore, stress management helps to overcome excessive work-related stress. This FDP program will help the participants-

- To develop their teaching skills.
- To enhance their quality of research.
- To enhance the ability to overcome and manage work-related and personal stress.
- To enhance the soft skills and teaching skills of participants so that they can create an environment that motivates the students to learn.

TOPICS

- **Innovative Teaching**
- **Research Methodology**
- **Patent Filing**
- **Yoga and Meditation**
- **Stress management and fun games**
